

Dear <Manager>,

I've been watching the "CHRO of Tomorrow" registrations build up from the sidelines & I am pretty excited about the opportunities this brings for senior HR professionals like myself. It includes a certification on the 'CHRO of Tomorrow' and I am writing to seek your support and sponsorship for my participation.

The Program offers a 6-month leadership development journey where participants will be groomed to embody various CHRO personas, each contributing uniquely to the world of HR leadership. Following is the construct of the program:

- > The Impact Creator
- > The Business Partner
- > The Intrapreneur
- > The Culture Architect
- > The Experience Designer
- > The Talent Steward
- > The Astute Director
- > The Charismatic Leader

It is a program where today's CXOs will be building CHROs of Tomorrow! This 6 month program goes beyond the academic view to bring in a novel practitioner approach through mentoring, hackathons, whitepapers & learning circles. Throughout the process, there will be lots of opportunities to learn about the best HR practices being implemented in other companies.

I would be able to showcase my progress to you, add value to the organization and further learn from your inputs!

Please let me know and I will process things accordingly. Thanks for hearing me out :)
